SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MAIL STOP AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Dear Sir:

In compliance with the duty of disclosure under 37 CFR § 1.56, it is respectfully requested that this Information Disclosure Statement be entered and the documents listed below and on the attached Form PTO-1449 be considered by the Examiner and made of record. Copies of the listed documents required by 37 CFR § 1.98(a)(2), if any, are enclosed for the convenience of the Examiner. The reference(s) now cited are the following:

Document No.	Name	Date
JP 06-204926	Kenwood Corp.	07/22/1994
JP 05-183461	Hughes Aircraft Company	07/23/1993
5,621,730	Kelley (related to JP 05-183461)	04/15/1997
5,870,402	Kelley (related to JP 05-183461)	02/09/1999

By submitting this Statement, Applicant is attempting to fully comply with the duty of candor and good faith mandated by 37 CFR §1.56. As such, this Statement is not intended to constitute an admission that any of the enclosed references, or other information referred to therein, constitutes "prior art" or is otherwise "material to patentability," as that phrase is defined in 37 CFR §1.56(a).

Applicant is unable to produce an English language translation of JP 05-183461. Therefore, Applicant cites U.S. Patent No. 5,621,730 and U.S. Patent No. 5,870,402 to Kelley, which are U.S. counterparts thereof.

Pursuant to 37 CFR § 1.97(e)(1), Applicant states that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart application not more than three months prior to the filing of this Information Disclosure Statement. Copies of an Office Action issued by the Japanese Patent Office in the corresponding Japanese application and an English translation thereof are also enclosed.

Pursuant to 37 CFR § 1.97(d), this Information Disclosure Statement is being filed after the mailing date of a final action under 37 CFR § 1.113 but before the payment of the issue fee, therefore an electronic patent application fee payment in the amount of \$180.00 is also submitted herewith. No additional fees are believed to be due in connection with filing of this Information Disclosure Statement, however, should any fees under 37 CFR §§ 1.16 to 1.21 be deemed necessary for any reason relating to these materials, the Commissioner is hereby authorized to deduct said fees from Brinks Hofer Gilson & Lione Deposit Account No. 23-1925.

Applicant(s) respectfully request that the listed documents be made of record in the present case.

Respectfully submitted,

Sanders N. Hillis
